As part of the requirements of the Early Years Foundation Stage, your child's key person will soon be giving you a summary of how your child is progressing in Communication and Language and Personal, Social, Emotional and Physical Development.

Your child's key person will be completing the 2 year Progress Check in partnership with you, as we believe you are your child's first educator and have much to contribute to the process.

A meeting will be arranged between you and the key person.

Following the meeting, you will receive the finished report, which will give you information about what your child enjoys doing at Nursery and how they are progressing. It will also give you suggestions about supporting learning and development at home.

You may want to share the completed progress check with other professionals, such as Health Visitors.
