The Family Support and Outreach Team understand that family life can be challenging, and our aim is to support parents and carers within the community with children aged 0-11 years.

We can offer a range of services that can help achieve positive outcomes for children and families.

We can offer information, support and guidance in a range of areas including:

- ♦ *Safeguarding*
- ♦ *Baby Massage*
- ♦ *Introducing Solid Food*
- ♦ *Healthy Eating*
- ♦ *Oral Health*
- ♦ *Parenting*
- ♦ *Sleep*
- ♦ *Child Development*
- ♦ *Early Education*
- ♦ *Employment and Benefits*

We also offer a wide range of activities and events for children and families.

Check out our What's on for Families leaflet or pick up a monthly timetable from reception.

The Family Support and Outreach Team work closely with Job Centre Plus, colleges and Family Learning to help people get back into employment or training and also offer volunteering opportunities. We work closely with other agencies such as health, social care and voluntary organisations to provide families with the best possible service.

We plan and facilitate groups in a stimulating, exciting and safe environment that helps to develop children's and parents social skills, self esteem and confidence.
