What are World Explorers?

World Explorers is our new group taking place on a Wednesday morning for 6 weeks and your child is invited to join the fun.

During the group session your child will have a hands on experience with nature in our outdoor area.

Our World Explorers leader is
Haleema.

This group is designed to accommodate 8 children and will take place for half an hour.

Each session will have a theme but this is flexible enough to incorporate the children's schemas interests, needs and developmental stages.

Week 1
